Presentation of Scholarships

The Anthony Wayne Education Foundation is dedicated to the encouragement and promotion of academic ability, achievement, and excellence in the **Anthony Wayne Local School District.**

Mike Kirby Scholarship

This fund generously provides two, \$2,000 scholarships. Mike, long time Waterville resident and AW schools supporter, passed away in 2019. Mike's company, Principal Business Enterprises and the Stocking Family, along with the Kirby family generously endowed this scholarship at Anthony Wayne due to Mike's love for this community, AW schools, and to support graduating students. A graduate of Miami University, Mike worked very hard to pay his way through college and his family knows how important any help can be for students pursuing secondary education.

Mr. Albaugh wanted all students to have a chance to belong to a team, even if not on the field the as a competitor. Be it a team manager or a trainer – he always sought avenues of participation that would allow as many students as possible to experience the pride of being an Anthony Wayne General. This year, we have two scholarships from this fund, each valued at \$1,000. These scholarships are intended to be given to one young man and one young woman in recognition of their leadership and commitment to their team, school, and community.
